ABOUT THE SYMPOSIUM

Paediatric Infectious Disease Symposium is the first symposium to be held by the Department of Pediatrics, Faculty of Medicine and Biomedical Sciences of MAHSA University. This one-day symposium aims to provide an overview and update on various bacterial, parasitic and viral infections that are prevalent in Malaysia.

In conjunction with the World AIDS Day on 1st December 2019, a special keynote address on the greatest scourge of the century will be delivered by the internationally recognized AIDS expert, Prof. Adeeba Kamarulzaman. Prof. Adeeba is the ID consultant, Professor of Internal Medicine and Dean of University of Malaya, Vice President of Malaysian AIDS Council, Chairman of Malaysian AIDS Foundation and President Elect of International AIDS Society. Other renowned speakers will also participate in lectures, symposiums and meet the expert session throughout the day.

PROGRAMME OBJECTIVES

- To address issues on prevalent infectious diseases in children in daily practice
- To provide update on management and prevention of infectious diseases in children
- To emphasize on clinical and investigative skills needed in the diagnosis of various infectious diseases in children

TARGET AUDIENCE

General practitioners, Specialists, Consultants and paediatricians. Medical students, nurses, paramedics and other allied health workers are also encouraged to attend.
