

## Registration Global Symposium 2021

Dear Healthcare Professional,

FrieslandCampina would like to exclusively invite your attendance to our upcoming symposium on **Friday and Saturday, 3-4 September 2021**, translating to the respective local times:

Central Europe Time (CET): 13:00-15:30

Mexico Time: 7:00-9:30

Saudi Arabia: 15:00-17:30

Indonesia Time: 19:00-21:30

Singapore/Malaysia/Hong Kong Time: 20:00-22:30

For more locations, check the time [here](#)

The symposium is **Free-of-Charge**. Participants will receive **8 CPD points** (CPDE 26742) by attending the full 2-day sessions. To register now, you may click on the button below.

**Register Now!**

In this symposium, we have invited more than 10 international speakers and moderators to discuss various intriguing topics such as Nutrition & Gut Health, Allergy Prevention & Management as well as Management of Constipation in Young Children.

There will be a total of 4 plenary sessions and 4 parallel sessions inclusive of meet-the-expert sessions and oral presentations. Through this symposium, you would be able to gain more insights and understanding on these topics.

**We look forward to seeing you at the symposium!**

Sincerely,  
FrieslandCampina
