Organised By:

Welcome message
from APPES 2021
Organising
Chairman

On behalf of the Malaysian Paediatric Association (MPA) and the organising committee, it gives me great pleasure and privilege to invite you to the 11th Asia Pacific Paediatric Endocrine Society (APPES) Biennial Scientific Meeting held in conjunction with the 42nd Annual Congress of the Malaysian Paediatric Association (MPA).

With the CoVID-19 pandemic still rampant, the organising committee had to make a difficult decision to proceed this important meeting as a full virtual conference from 26th - 28th November 2021.

Staging APPES 2021 in Malaysia is a good opportunity for paediatric endocrinologists as well as paediatricians in general from the Asia Pacific region to come together and exchange their knowledge and expertise while sharing their experiences.

Bringing the theme of "NURTURE, EDUCATE AND BEST PRACTICES OF CARE OF CHILDREN WITH ENDOCRINE DISORDERS & DIABETES", the objective of this important meeting goes hand in hand with APPES mission and vision. This theme also emphasizes our hope to improve knowledge, provide best practice and increase collaboration in the field of paediatric endocrinology among our members from Asia Pacific countries and the world.

Despite not being able to be present at site, I believe our friendships are still strong and all of you are still able to connect with friends around the globe. I hope you would have a pleasant knowledge booster during this 3-day conference.

Thank you and enjoy the scientific content of APPES & MPA Congress 2021.

Professor Dr Muhammad Yazid Jalaludin
Organising Chairman, APPES 2021
